

Christian Citizenship
1 Peter 2:11-17
Dr. Buddy Perstrobe, Senior Pastor

1. Recognize your eternal citizenship

You are NOT a citizen of earth who will one day go to heaven

You ARE a citizen of heaven who is passing through earth

A. Keep your perspective in life

- **you are strangers in the world**
- **you are soldiers in a spiritual battle**
- **you are witnesses to unbelievers**

B. Keep your focus on the day God visits

2. Redeem the time of your temporary citizenship

A. Live in submission to earthly authority

- **For the Lord**
- **For the lost**

B. Live as a witness before the world

- **Honor everyone**
- **Love the brothers and sisters**
- **Fear God**
- **Honor the emperor**
